"I complained this morning of having had a nightmare, and he charged me for a lively rig."

Bobby's mother took him out to the park the other day, and as they stood watching the birds in their enormous cage the little fellow observed a stork gazing at him. "Oh, look, mother," said Bobby. "The stork is trying to see if he remembers me still."—The Argonaut.

Catarrhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Hall's Catarrh Medicine acts thru the blood on the mucous surface of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, Inc. E. J. CHERRY & CO., Toledo, O.

Haven't heard of anyone making any New Year's resolutions this year. Fewer made, fewer broken, thereby less noise.

R. C. Ruckman has forsaken the thorny path of single blessedness, and taken unto himself a wife, henceforth to tread the highroad of matrimonial bliss. The fortunate lady was Miss Jessie Davenport, a sister of Mrs. G. W. Byford. The happy couple will reside on Mr. Ruckman's farm three miles north of Havener.

Tuesday evening, Dec. 28th, Mr. and Mrs. Ruckman gave a party to a large number of their friends and relatives. About eighty were present and a very enjoyable evening was spent. Delicious refreshments were served to all present. Mr. Ruckman is known by nearly everyone hereabouts, who wish him and his wife much happiness and prosperity in their married life.

All the Havener friends of Mrs. C. L. Grant will be sorry to learn that on Christmas day she fell, breaking both arms. Tho a very painful accident, especially for one so advanced in years, Mrs. Grant is doing as well as can be expected. Mrs. Grant and daughters, now of Clovis, lived in our community where they still own a farm, for a number of years.

Mr. Mouser is the proud owner of a brand new Ford jitney. He sold his old car, thinking to use Dobbin as a means of locomotion. But one trip to Clovis on a wagon, with his neighbors all going by him at Fordy miles an hour, convinced him that though Dobbin was sure, he was too slow. Hence the new car.

A. R. Dees spent Christmas in Texas. He returned home last Thursday, Albert Moore, who worked here two

IS YOUR HEALTH

GRADUALLY SLIPPING?

Interesting Experience of a Texas Lady Who Declares That if More Women Knew About Cardui They Would Be Spared Much Sickness and Worry.

Navasota, Texas.—Mrs. W. M. Peden, of this place, relates the following interesting account of how she recovered her strength, having realized that she was actually losing her health:

"Health is the greatest thing in the world, and when you feel that gradually slipping away from you, you certainly sit up and take notice. That is what I did some time ago when I found myself in a very nervous, run-down condition of health. I was so tired and felt so lifeless I could hardly go at all.

"I was just no account for work. I would get a bucket of water and would feel so weak I would have to set it down before I felt like I could lift it to the shelf. In this condition, of course, to do even my housework was a task almost impossible to accomplish.

"I was . . . nervous and easily upset.

I couldn't rest well at night and was . . . just lifeless.

"I heard of Cardui and after reading I decided I had some female trouble that was pulling me down. I sent for Cardui and began it. . .

"In a very short while after I began the Cardui Home Treatment I saw an improvement and it wasn't long until I was all right—good appetite, splendid rest, and much stronger so that I easily did my house work.

"Later I took a bottle of Cardui as a tonic. I can recommend Cardui and gladly do so, for if more women knew, it would save a great deal of worry and sickness."

The enthusiastic praise of thousands of other women who have found Cardui helpful should convince you that it is worth trying. All druggists sell it.
